By the Numbers
A numerical look at the ISDS regime

Known ISDS cases, annual (1987-2016)

In the first 30 years that the ISDS regime existed, just 50 cases were launched...

...but since 2011 over 50 cases were launched each year.

Tribunals can award corporations unlimited amounts of taxpayer money.

Under U.S. pacts alone...

...governments have been ordered to pay nearly $4.5 billion in compensation to foreign firms...

...and more than $58 billion remains in pending cases.
